We are recruiting for:

Event Stewards NVQ Level 2 or equivalent

Security Door Supervisors

This is a fantastic opportunity to join a growing business and to work at one of the leading exhibition, conference and events venue in the country. Manchester Central Convention Complex (MCCC) delivers the highest level of customer service and experience and we are now expanding our team to support the venue. 5 star service is exactly what we are looking for and if you have the drive and commitment to be part of the team then come on board.

Ideally you will have experience of working in events or the high end service environment with an NVQ Level 2 or Level 3 in stewarding and supervision. If you hold an SIA Door Supervisor licence and customer service is a main part of your role we would like to see you. However, this is not essential as full training is provided in customer service.

You must be able to provide a minimum of 5 years work/education history including any periods of unemployment and proof of right to work in the UK.

In return we can offer you a very competitive hourly rate plus:

- **Wagestream** – Access to your salary, if required, prior to pay day
- **Training** - The opportunity to progress and develop with both in-house and nationally recognised courses
- **HSF** – option to join a health cash plan scheme
- **Additional** work outside the events at MCCC if you wish
