

Room Detail – Central 5-7 Combined

The Central Meeting Rooms provide several options for usage of the versatile Central Foyer area. Whilst the foyer can be used as a single space for social events, networking and small exhibitions the space can be divided up to create individual meeting rooms. Adjacent to Central Hall, these rooms are ideally located for breakout sessions. Adjusting the space to fit your requirements these individual meeting rooms can be combined to create a larger space. They have their own toilet facilities, cloakroom and concierge desk within the foyer.
