Tender Code: 055-2021

Expressions of interest are invited for the above tender.

Further information about the Venue can be found at <http://www.manchestercentral.co.uk/>

If you are interested in pursuing this opportunity, please express interest **via ProContract** using the reference number **DN577954**

Invitations to Tender (ITT)'s will be available once you have expressed an interest via Pro Contract. <https://procontract.due-north.com>.

The last date to request documentation for the tender will be 17th December 2021.

You will be offered a site visit if you fulfil the 3 requirements below

- Have you got a steel work painting background?
- Have you worked on restoration / heritage structures?
- Do you have a history of complex access methods / requirements?

Any interested parties in this tender who meet the requirements will be required to attend a **MANDATORY** site visit, these will be held at Manchester Central on 16th, 17th, and 18th November 2021 (date may be subject to change). Session times for the visit will be 11am and 2pm. The visit will take the form of a small briefing, followed by a walk-around and access to the gable ends, with the opportunity for questions. This visit is for you to gain information, photos, measurements etc so an accurate tender can be put forward.

Contractors will need to bring their own PPE to include high vis, working boots, harness, lanyard, and hard hat.

A maximum of two personnel from each bidding organisation will be permitted to attend each slot, you may book more than one slot if you need more than two personnel to visit. Dependent upon availability, bidders will book a slot for either 11am or 2pm, and the visits will begin at Manchester Central's concierge. A further date may become available due to late bidders.

Please email procurement@manchestercentral.co.uk ASAP to book in for the visit.

The closing date for receipt of completed ITT documentation will be 20th December 2021 14.00pm

It is anticipated for the contract to be awarded by 16th January 2022 with a targeted start date of 01st February 2022.
